**2020 is a year in which to qualify for NSGA competition in
Fort Lauderdale, Florida November 5 – 18, 2021.**

For more information about national competition go to: NSGA.com

1. All first, second, and third place winners qualify to compete in the 2021 National Senior Games.
2. Athletes may enter a maximum of two tennis events in the 2021 National Senior Games.
3. Athletes must qualify in each event (singles, double, mixed doubles) in which they wish to compete in the 2021 National Senior Games.
4. Doubles partners who qualify together are not required to play together at the 2021 National Senior Games.
5. **All participants must have qualified in the SPORT in which they intend to participate with one partner having qualified in the EVENT in which they intend to participate.**
6. The age division for competition for doubles and mixed doubles teams will be determined by the younger age of the two partners on December 31, 2021.
7. All doubles teams made up of one in-state and one out-of-state athlete will be designated as an out-of-state team. The NSGA definition of an athlete's state of residence is that state in which the athlete resides at least six months of the year.
8. Oklahoma is an "Open" state. This means Oklahoma Senior Games allows participation by out-of-state athletes.
9. Tennis allows for three resident qualifiers in each event, gender and age division. Oklahoma qualifies four Oklahoma residents or resident teams in addition to any top

three finishing out-of-state athletes or athlete teams. This means that if the top three places are all filled with out-of-state athletes, Oklahoma residents who place in the next three positions qualify for the 2021 National Senior Games. Oklahoma would then qualify six athletes or athlete teams for the national senior games in that event, gender and age division.
