FORMAT

1. For singles competition a round robin format will be utilized. For divisions with 6 or less players, each player will play each other and winners will be determined by their playing record. For divisions with 7 or more players, the division will be broken into pools, playing a preliminary round robin within the pool. Winners from each pool will advance to a single elimination tournament.
2. Round Robin format will be used for doubles and mixed doubles (same procedure as singles).
3. Play shall consist of a five game match. The winner shall be the first player to win three games.
4. The first player to score 11 points wins a game, unless both players have scored 10 points. In that situation, the serve changes each point and the winner is the first player to score a two-point lead.
5. Play shall be continuous throughout the match with a two-minute break between games.
6. The Tournament Director reserves the right to change/modify the format of any event.

**2021 is a year in which to qualify for NSGA competition in
Fort Lauderdale, Florida, May 10-23, 2022.**

**Athletes who HAVE qualified in the Oklahoma Senior Games in 2018 and/or 2020
are already qualified and are welcome to compete in Oklahoma again in 2021.**

Please go to:

for adjusted qualification information for nationals.

For more information about national competition go to: NSGA.com

1. All first, second, third and fourth place winners qualify to compete in the 2022 National Senior Games.
2. Athletes must qualify in each event (singles, double, mixed doubles) in which they wish to compete in the 2022 National Senior Games.
3. Doubles partners who qualify together are NOT required to play together at the 2022 National Senior Games.
4. **All participants must have qualified in the SPORT in which they intend to participate with one partner having qualified in the EVENT in which they intend to participate.** This rule allows players to pick up partners who qualified in singles or another doubles event to compete in the 2022 National Senior Games.
5. The age division for competition for doubles and mixed doubles teams will be determined by the younger age of the two partners on December 31, 2021.
6. All doubles teams made up of one in-state and one out-of-state athlete will be designated as an out-of-state team. The NSGA definition of an athlete's state of residence is that state in which the athlete resides at least six months of the year.
7. Oklahoma is an "Open" state. This means Oklahoma Senior Games allows participation by out-of-state athletes.
8. Table Tennis allows for four resident qualifiers in each event, gender and age division. Oklahoma qualifies four Oklahoma residents or resident teams in addition to any top four finishing out-of-state athletes or athlete teams. This means that if the top four places are all filled with out-of-state athletes, Oklahoma residents who place in the next four positions qualify for the 2022 National Senior Games. Oklahoma would then qualify eight athletes or athlete teams for the national senior games in that event, gender and age division.
