**2021 is a year in which to qualify for NSGA competition in
Fort Lauderdale, Florida, May 10-23, 2022.**

**Athletes who HAVE qualified in the Oklahoma Senior Games in 2018 and/or 2020
are already qualified and are welcome to compete in Oklahoma again in 2021.**

for adjusted qualification information for nationals.

For more information about national competition go to: NSGA.com

1. All first, second, third and fourth place winners qualify to compete in the 2022 National Senior Games.
2. Athletes must qualify in each event (singles, double, mixed doubles) in which they wish to compete in the 2022 National Senior Games.
3. The age division for competition for doubles and mixed doubles teams will be determined by the younger age of the two partners on December 31, 2021.
4. All doubles teams made up of one in-state and one out-of-state athlete will be designated as an out-of-state team. The NSGA definition of an athlete's state of residence is that state in which the athlete resides at least six months of the year.
5. Doubles partners who qualify together are not required to play together at the 2022 National Senior Games.
6. All participants must have qualified in the SPORT in which they intend to participate with one partner having qualified in the EVENT in which they intend to participate. This rule allows players to pick up partners who qualified in singles or another doubles event to compete in the 2022 National Senior Games.
7. The age division of competition for Team Bowling at nationals will be determined by the youngest age of team member as of December 31, 2022. Age groups for Teams will be the same for individual events with the youngest bowler's age as of December 31, 2022 determining the Team's age group. Awards for Teams will be the same as for individual events.
8. Athletes may only compete in one four-person team. Any combination of gender is considered a mixed team.
9. Athletes that qualify for and compete in singles, doubles and mixed doubles at the 2022 National Senior Games will be eligible to compete in Team Bowling. Athletes cannot qualify to compete in the team event except in this manner.
10. Oklahoma is an "Open" state. This means Oklahoma Senior Games allows participation by out-of-state athletes.
11. Bowling allows for four resident qualifiers in each event, gender and age division. Oklahoma qualifies four Oklahoma residents or resident teams in addition to any top four finishing out-of-state athletes or athlete teams. This means that if the top four places are all filled with out-of-state athletes, Oklahoma residents who place in the next four positions qualify for the 2022 National Senior Games. Oklahoma would then qualify eight athletes or athlete teams for the national senior games in that event, gender and age division.
